

Aircraft Accidents and What We Learn From Them

Review of various aircraft accidents and lessons learned that GA pilots can put into practice to fly safer.

Directions: Clow International Airport's runway is closed for re-construction. From I-55 take Weber Rd. North to Clow International Pkwy., turn left (West). The road ends in the airport parking lot. The Museum is located in the North most hangar (#1) facing runway

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
